### How to read?

The name of each picture corresponds to the complete eurocode without specifying colours, heating or antenna versions.

**Example**

**2434A M6T**

5 digits from left = 5 first digits of the eurocode.

Last digits of eurocode specifying the version.

Complete eurocodes for example «2434AM6T» are:  
2434AGNMV6T, 2434AGNV6T, 2434ACCGNV6T

Abbreviation	Explanation
Condensation Sensor	Sensor that activates Air Conditioning to blow air to the windshield when it mists up
CTD	Coated, Solar Heat Reflective Coating
EC-Mirror	Electro Chromatic Mirror, dims automatically at night when illuminated from behind
GPS	Global Positioning System for navigation, requires antenna holders attached to the windshield
LDW	Lane Departure Warning - alerts the driver if the car crosses one of the road markings without an obvious reason
Night Vision	Infra Red Camera attached to the windshield, allows the driver enhanced vision at night
R/L SENSOR	Both Rain and Light Sensor
